

Press Release:

East Beauregard High School Art Students Exhibition

RealArt DeRidder Arts Cooperative, February 13 – 27, 2010

Reception: Saturday, February 13, 2010 6pm

RAD 108 West First Street DeRidder, Louisiana

RealArt DeRidder Arts Cooperative (RAD) is proud to present over 40 works from the East Beauregard High School Fine Arts program, led by RAD artist and art educator, Tanya Johnson and art educator Myriam Hebert.

The former Dry Creek and Sugartown schools in Beauregard Parish have a long, rich history of excellence in education. In 1962, the two schools consolidated to form East Beauregard High School. EBHS recognizes the value of the arts in education. Arts programs teach creative thinking skills, which can enrich all other content areas.

Works by four art students are included. A public reception honoring all the student artists will be held at RAD on February 13, 2010 at 6pm.
